**Marsha C. Nelson, MD, MPH,
FACS**

Valley Health Breast Center

Dr. Marsha Nelson is a board certified surgeon specializing in breast surgery and care of breast diseases. Earning her medical degree from New York Medical College, she completed her residency at Christiana Care Health System in Newark, DE. She was most recently an attending surgeon with a focus on trauma/acute care and breast diseases in Fayetteville, NC, for nearly 10 years before joining **Valley Health Breast Center** in Winchester, VA, in 2023.

Dr. Nelson is board certified in general surgery. She is a Fellow of the American College of Surgeons and a member of the American Society of Breast Surgeons.

Dr Nelson is dedicated to ensuring that her patients understand their treatment options and plan for care. Her goal is for her patients to feel confident in both their treatment plan and in the care they are receiving while being able to stay close to home.

Dr Nelson is originally from Olney, MD. She lives in Winchester with her husband and four sons and enjoys reading, cooking and scrapbooking in her spare time.

Services:

- Evaluation of benign breast disease
- Review and management of abnormal breast imaging
- Assessment of breast cancer risk
- Breast cancer screening recommendations
- Diagnosis and treatment of breast cancers

Dr. Nelson is currently scheduling appointments for new patient consultations.
